Freedom of Information Act (FOIA) Request EPA-R2-2017-003976

Dear Mr. Maley:

This is in response to your above-referenced FOIA Request in which you requested documents concerning a property located at 230 North King Street, Gloucester City, New Jersey, which is situated on the Welsbach/General Gas Mantle Superfund Site in Gloucester City and Camden, New Jersey. You received an email notification that the documents responsive to your request are available on the FOIA Online website

<https://foiaonline.regulations.gov/foia/action/public/home>.

Please note, however, that segments of the responsive documents have been redacted pursuant to Exemption 6 of the FOIA, 5 U.S.C. § 552(b)(6). This FOIA exemption requires EPA to withhold information about individuals in agency records when the disclosure of this information would constitute a clearly unwarranted invasion of privacy. The redactions in the document are marked with the FOIA exemption.

This letter concludes our response to your request. You may appeal this response by email at [hq.foia@epa.gov](mailto:hq.foia@epa.gov), or by mail to the National Freedom of Information Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue. If you are submitting your appeal by hand delivery, courier service, or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20001. Your appeal must be in writing, and it must be received no later than 90 calendar days from the date of this letter. The Agency will not consider appeals received after the 90-calendar-day limit. Appeals received after 5:00 pm EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should

be marked "Freedom of Information Act Appeal." Additionally, you may seek assistance from EPA's FOIA Public Liaison at [hq.foia@epa.gov](mailto:hq.foia@epa.gov) or (202) 566-1667, or from the Office of Government Information Services (OGIS).
